2025 PSHS FOI FEEDBACK REPORT

I. OVERVIEW

The Philippine Science High School (PSHS) System, in its unwavering pursuit of transparency and accountability, has institutionalized a robust feedback mechanism to evaluate its compliance with the constitutional mandate on the right to information. Recognizing that the operationalization of this right extends beyond the mere release of documents, the PSHS has exerted significant effort in the strategic creation and integration of the FOI Feedback Survey into its daily service delivery. This effort is centered on gauging the accessibility, timeliness, and clarity of the information provided by both the Office of the Executive Director and its various regional campuses.

Furthermore, the development and implementation of this feedback form are in strict compliance with Section 6.6.1 of Anti-Red Tape Authority (ARTA) Memorandum Circular (MC) No. 2019-002, series of 2019. This circular, entitled *Guidelines on the Implementation of the Citizen's Charter in Compliance with Republic Act 11032* (the "Ease of Doing Business and Efficient Government Service Delivery Act of 2018"), mandates all government agencies to establish their own feedback and complaints mechanisms. By integrating this system, PSHS ensures that the citizens availing themselves of its services are heard, enabling the agency to continuously improve its processes and fulfill the quality standards required by the Freedom of Information—Project Management Office (FOI-PMO).

II. SCOPE

The scope of the FOI Request Feedback Survey (See Annex A) is precisely defined to encompass all formal requests for information processed under the PSHS People's FOI Manual, ensuring no request type is left without a quality assessment. The application of this survey is bifurcated to address the two primary channels of information requests: Electronic and Standard.

- The Electronic Request category covers all transactions facilitated through the centralized eFOI Portal, where digital interactions between the requesting party and the agency are tracked.

- The Standard Request category applies to traditional modes of inquiry, including face-to-face applications at the PSHS Records Offices and formal requests submitted via official institutional email addresses.

While the survey is comprehensive in its reach across these channels, its application is strictly confined to requests lodged under the FOI program. This excludes routine administrative or frontline services, such as simple requests for student transcripts, certifications, or internal employee records, which are governed by the PSHS Citizen's Charter and specific Registrar protocols.

III. METHODOLOGY

The methodology for gathering feedback is structured to be inclusive of all requesting parties, utilizing a dual-channel approach that mirrors the initial mode of request to ensure ease of access and higher response rates. In adherence to ARTA MC No. 2019-002, the feedback mechanism is designed to be an accessible tool for service improvement.

The PSHS FOI Feedback Survey is structured into two critical sections:

- **Part I: Preliminary Information and Profile**
  - This section begins with a Privacy Note in compliance with the Data Privacy Act of 2012, ensuring the requesting party that their personal information remains confidential. It includes clear directions on how to rate the service. This part also captures essential tracking data, including the Date Requested and the unique FOI Tracking Number, alongside the Requesting Party's Details (Organization/Affiliation, Region, Sex, Age Group, and Educational Attainment) to help the agency analyze its demographic reach.

- **Part II: Service Evaluation and Satisfaction**
  - This section captures the citizen's/client's experience, expectations, and satisfaction regarding the agency's compliance with FOI Program implementation. It utilizes a scoring system to evaluate satisfaction with the handling of the request, adherence to the 15-to-35 working day timeline, clarity of the response provided, and the effectiveness of communication from start to finish.

Standard Requests: For walk-in applicants and those who submit requests via official agency email, the feedback process is initiated immediately upon completion of the service. For on-site transactions, the requesting party is provided with a physical FOI Feedback Survey Form at the moment the documents are handed over. They are encouraged to drop the accomplished form into a designated box to ensure anonymity. For email requests, the FOI Receiving Officer (FRO) attaches a digital version of the survey—either as a fillable document or a secure web link—to the final transmittal email.

Electronic Requests (eFOI): The methodology leverages the digital infrastructure of the eFOI Portal to maintain a seamless transition from information delivery to service evaluation. Since every eFOI request is linked to a verified user profile, the PSHS utilizes official contact details to solicit feedback. Once a request is marked as "Successful" or "Closed," the FRO sends a formal follow-up to the requester's registered email address containing a direct link to the electronic feedback form.

IV. DATA INTERPRETATION

Based on the official feedback data retrieved from the PSHS FOI Request Feedback Form (See Annex B), the following quantitative and qualitative analyses outline the agency's performance for the year 2025.

A. Demographic Analysis of Requesting Parties

Based on the 12 documented feedback responses, the following trends were identified:

- **Age Group:** The vast majority of requesters (83%) belong to the 21–30 age bracket, indicating that the FOI service is most frequently utilized by young adults and early-career professionals. Smaller segments were recorded in the 31–40 and 41–50 age groups.
- **Sex:** The distribution is relatively balanced, with 58% identifying as Female and 42% as Male.
- **Geographic Distribution:** Most requests originated from Region X – Northern Mindanao (58%), followed by the National Capital Region (33%), and Region XI – Davao Region (9%).
- **Affiliation and Education:** 83% of respondents are from the Academe (researchers and students), most of whom are pursuing Undergraduate Tertiary Education. The remaining 17% are Government Employees with higher educational attainment (College Graduate or Postgraduate levels).

B. Quantitative Discussion

The PSHS System processed 12 documented feedback responses in 2025. The data demonstrates a high level of engagement from the Academe and Government sectors.

- **First Quarter (January – March):** Three (3) responses recorded. The requesting parties reported a perfect satisfaction score of **5.0** across all metrics.
  - *Requests:* #PSHS-832509219580, #PSHS-797444127879, and #PSHS-695577737109.
- **Second Quarter (April – June):** Zero (0) feedback responses recorded.
- **Third Quarter (July – September):** Five (5) responses recorded. Despite the increase in traffic, the agency maintained an average rating of **5.0**.
  - *Requests:* #PSHS-011256184357, #PSHS-425683775135, #PSHS-271633777740, #PSHS-384997711460, and #PSHS-741853598030.
- **Fourth Quarter (October – December):** Four (4) responses recorded. All respondents provided an average score of **5.0**.
  - *Requests:* #PSHS-143499618857, #PSHS-899380174163, #PSHS-355250811436, and #PSHS-218267165038.

C. Qualitative Interpretation of Results

The qualitative performance is measured using a standardized satisfaction scale:

- **Quarter 1 (Average Rating 5.0 — Outstanding):** Characterized by seamless communication and highly comprehensible responses. Requesters noted the assistance was "good as it is."
- **Quarter 2:** No Data Available.

- **Quarter 3 (Average Rating 5.0 — Outstanding):** The agency demonstrated excellence in handling a higher volume of requests. Communication remained effective and transparent.
- **Quarter 4 (Average Rating 5.0 — Outstanding):** PSHS maintained its "Outstanding" status by providing timely information to students, reinforcing its commitment to educational support.

Conclusion: Overall, the PSHS FOI program achieved an **Outstanding** qualitative rating for the entire year, reflecting a successful operationalization of the public's right to access information.

PSHS FOI Request Feedback Form

We would love to hear your thoughts or feedback on how we can improve your experience!

This Feedback Form is in compliance with Section 6.6.1 of Anti-Red Tape Authority (ARTA) Memorandum Circular (MC) No. 2019-002, series of 2019 entitled Guidelines on the Implementation of the Citizen's Charter in Compliance with Republic Act 11032, otherwise known as the "Ease of Doing Business and Efficient Government Service Delivery Act of 2018," and Its Implementing Rules and Regulations (IRR) which mandates all government agencies to establish their own feedback and complaints mechanism to ensure that the citizens availing their services are heard and to enable the agency to continuously improve their services.

PRIVACY NOTICE
Accomplishing this Feedback Form signifies authorizing the government agency to collect the information provided in this form. All personal information provided using this form shall be treated with utmost confidentiality. The data collected will be aggregated for analysis to help us continually improve our services. Disclosure of the personal information of the customers shall only be disclosed pursuant to applicable laws, guidelines, and regulations.

DIRECTIONS:
• Please answer the questions below to provide your feedback for the service provided by the agency.
• Mark your rating in the space provided.

* Indicates required question

1. Date requested *
   Araw na ginawa ang request

   Example: January 7, 2019

2. FOI Tracking Number *

3. Organization/Affiliation *
Organisasyon/Pagkakaugnay

Mark only one oval.

- Government Employee
- Civil Society Organization / Non-Government Organization
- Academe (e.g, Researchers, Students, Private School Teachers/Lecturers)
- Non of the above

4. Region *
Organisasyon/Pagkakaugnay

Mark only one oval.

- NCR - National Capital Region
- Region I - Ilocos Region
- Region II - Cagayan Valley
- Region III - Central Luzon
- Region IV-A - CALABARZON
- Region V - Bicol Region
- Region VI - Western Visayas
- Region VII - Central Visayas
- Region VIII - Eastern Visayas
- Region IX - Zamboanga Peninsula
- Region X - Northern Mindanao
- Region XI - Davao Region
- CAR - Cordillera Administrative Region
- MIMAROPA Region
- BARMM - Bangsamoro Autonomous Region

Title: Data Request for Architectural Design 9 Capstone 1
Purpose: Research and Development
Message: To whom it may concern,

Good day, I am an Architecture student from Technological Institute of the Philippines - Manila Campus. I was working on with my Design 9 Thesis regarding a possible proposal of a Philippine Science High School Ilocos Norte Campus. This is with a response to the Senate Bill No. 2836 or the "The Expanded Philippine Science High School (PSHS) System Act", and I will be needing some information or data that will support my study and help me with my demand analysis.

Data about these are much appreciated:
1. Number of Enrollees from years 2019 - 2025.
2. Number of Applicants in National Competitive Examination (NCE) for years 2019-2025.
3. Number of Scholars Supported for year 2019-2024.
3. Rate of Pisay Graduates pursued STEM Track, 2019 to present.
4. Cohort Survival Rate of Students from years 2019-2025.
5. Annual Performance Report of PSHS for years 2019-2021 and 2024 (if available).

The information will be used solely for education purposes as a course requirement for AR 501 - Architectural Design 9.

Thank you so much and God Bless!
Date: 2025-02-04 05:40:26.927015+00:00

Title: Data Request for Architectural Design 9
Purpose: Undergraduate Architectural Thesis
Message: To whom it may concern,

Good day I am an Architecture students from University of Science and Technology of Southern Philippines. I was working with my Architectural design 09. My thesis proposal is " A PROPOSED PHILIPPINE SCIENCE HIGHSCHOOL AND SCIENCE CENTRUM IN NORTHERN MINDANAO". This is with response to the senate bill No. 2836 and I will be needing some information and data that will support my study.

data about these are much appreciated:
1. Number of enrollees from year 2020-2025
2. number of applicants in National Competitive Exam (NCE) for year 2020-2025
3. Number of scholars supported for year 2020-2025
4. Rate of Pisay Graduates pursued STEM track, 2019-present.
5. Cohort survival rate of students, 2019-2025

Rest assured all information will be used solely for education purposes only as requirement for architectural design 09.

thank you so much and God bless. Your response are in big help with the success of this study.

Dear Ms. Kassandra,

We are pleased to provide you the requested Philippine Science High School (PSHS) System Data. For your reference, please see the matrix below.

FOI Data Request	Year					
Particulars	2020	2021	2022	2023	2024	2025
Number of Enrollees	9317	9729	9990	10350	10619	10811
Number of Applicants in National Competitive Exam*	11467	10772	13971	24738	32195	NCE application ongoing NCE Scheduled on Jan 2026
Number of Scholars Supported	9317	9729	9990	10350	10619	10811
Rate of PSHS Graduates pursuing STEM Courses	99.44% (1247/1254)	99.26% (1336/1346)	99.52% (1449/1456)	98.90% (1440/1456)	97.81% (1475/1508)	Data reported in Dec. 2025
Cohort survival rate	94.55% (1215/1285)	93.93% (1300/1384)	94.27% (1398/1483)	94.93% (1424/1500)	94.52% (1484/1570)	92.45% (1555/1682)

** In 2020-2022, In response to the challenges posed by the pandemic, the Philippine Science High School System (PSHSS) implemented an alternative selection process in 2020 known as RACE, or the Requirements for Admission, Criteria, and Evaluation, a two-stage selection procedure adopted in lieu of the National Competitive Examination.*

We wish you continued success in your academic endeavors. Should you require additional information. Please do not hesitate to reach out.

Warm regards,

Jeane Anne M. Dagoy
